

Mechanical Operations (Particles and Motion of Particles)

by D.C. Sikdar

ISBN-13	9789355380500
ISBN-10	935538050X
Edition	1
Format	Both
Publishing Year	2025
Categories	New Arrivals, Chemical Engineering, Book Store
Original Price	₹345.00
Discounted Price	₹258.75
Stock Status	In Stock (10 available)

Description

MECHANICAL OPERATIONS Particles and Motion of Particles Chapters Covered: 1. Introduction. 2. Particle Technology. 3. Size Reduction. 4. Flow of Fluid Past Immersed Bodies. 4. Motion of Particles Through Fluids. 6. Sedimentation. 7. Filtration. 8. Agitation and Mixing. 9. Sampling Storage and Conveying of Solids. 10. Magnetic Separations. 11. Jigging.
